## FORTUNA SYNDICATE PROPOSAL

# BOBBY MEYERHOFF

## E V E N T I N G

---

Bobby is an international event rider who strongly believes that starting horses correctly is the key to their future success. Born in San Francisco, California, he grew up learning to ride on his grandparents' ranch, and was first introduced to the sport of eventing through pony club at age 7.

After graduating from High School, Bobby met two-time Olympian Stuart Black.

Impressed with his riding, Stuart offered Bobby a position as a working student. While working for Stuart, Bobby learned the ins and outs of how to care for and professionally manage four-star horses.

Following his position with Stuart Black, Bobby joined the O'Connor Event Team in Ocala, Florida.

Training under Olympians David and Karen O'Connor, he competed multiple horses at the Intermediate level. In the winter of 2006, Bobby was hired as a rider for record-setting Grand Prix show jumper Aaron Vale. Working with Aaron gave Bobby a great opportunity to learn about the show jumping industry while continuing to train and compete.

Bobby started Meyerhoff Show Horses in 2007. He takes great pride in producing his horses from the ground up, and has focused his business on producing young horses to sell while continuing to train and compete at the highest international levels of eventing. Having competed at The Rolex Kentucky 4\* Event four years in a row on the Zangersheide gelding, Dunlavins Token, Bobby is now in the process of producing an impressive string of top horses up through the international levels.

## S Y N D I C A T I O N

---

Bobby is seeking syndication in order to build his team of top international horses, and excel at professional goals, while progressing in the equestrian industry.

*"Being an owner of a competition horse is more thrilling than you can ever imagine. Ownership gives you something money cannot buy; it's like meeting someone new, and being intrigued by their unknown traits and the want to get to know them.*

*Some horses will let you in right away and some will keep you guessing for a while. As you get to know your horse you develop a great bond with this large animal that is very different than any human, dog, cat, or other animal. It is tough to put into words, the feeling of connection with a horse; in part because they are flight animals, and you are never fully in control of them. As you watch them grow and perform, you are filled with excitement, anticipation, and emotion. It is like nothing you have ever felt before, and you will be always be surprised with incredible emotion. Although you may know your horse will achieve a set goal, you still cannot comprehend the feeling and emotions that overcome you once it happens, until you experience it. You will feel energies of life you may have never felt before!"*

Horse ownership syndication is a group of supporters coming together to purchase shares in a promising horse for a professional rider. The syndicate is comprised of shares purchased by each member of the group. These shares are an investment in both the initial purchase of the horse and the annual expenses incurred to maintain and compete the horse. Annual expenses are predetermined, and the cost is shared between each share owner of the syndicate. The annual upkeep expenses can be made as a 100% tax deductible donation through Southern California Equestrian Sports.

Owners and Sponsors are one of the most important pieces to success in this sport.

Your support plays a huge role in producing world class horses!

# FORTUNA

Born in 2010, Fortuna is a 15.2h Bay, Dutch Warmblood mare.

Fortuna came to Meyerhoff Show Horses as a 2 year old, and has been with us ever since. She began her eventing career at the age of 5, and it was quickly evident that she was a special mare for the future.

Over the past 3 years Fortuna has successfully climbed the levels of eventing.

In 2018, she will continue to build on her success at the 2\* level.

Fortuna is an incredibly scopey mare.

Standing at only 15.2 hands high, she tackles the cross country with ease thanks to her enormous scope, and athletic jump. She is bold and brave cross country, yet has the finesse to shine in the dressage and show jump phases.

Watching her compete, it's clear Fortuna has tremendous potential for the top most levels of the sport.

Fortuna has already made an impressive name for herself, racking up multiple top placings, including a win at the 2017 Chattahoochee Hills CIC 2\*.

We are extremely excited for the future of this young mare and look forward to being able to share her journey with the Fortuna Syndicate Team!

# SYNDICATION OPPORTUNITY

Become an Owner of a top international Event horse at an affordable price!

Receive behind the scenes updates on Fortuna's training and development, entry passes to competitions and stabling, recognition at events, special invitations to competitors and owners parties, website recognition, and an open house invitation to visit Fortuna at home or anywhere she is training and competing.
